

SEAFARER'S BEANIE LEVEL 2

ABOUT THIS PATTERN

A double-brimmed beanie makes this hat toasty warm for ears!

PATTERN NOTES

The hat looks deceptively small but will stretch when it comes off the needles. Garter stitch stretches!

To make the folded brim, you'll be joining the live stitches to the cast-on stitches. This may feel awkward at first, but work slowly and the effect is really great. Be sure to knit the first cast-on stitch with the first live stitch, and all the other stitches line up nicely.

DIRECTIONS

Brim:

Cast on 84 stitches. Place marker and join for working in the round, being careful not to twist. Knit every round for 3 inches (17 rounds).

Purl one round.

Knit 18 rounds.

Fold up brim (on the purl row) and knit the cast-on edge together with the live stitches, stitch by stitch. 84 sts.

Hat Body:

*Purl one round, knit one round. (This makes garter stitch in the round.)
